WPC VINYL FLOORING

Wood Plastic Composite

WPC vinyl flooring, which stands for wood plastic composite, is an engineered, luxury vinyl plank flooring option that has been newly introduced into the market. The main difference with this flooring is the technologically advanced construction.

SPC VINYL FLOORING

Rigid Vinyl Plank

SPC Vinyl Flooring stands for stone plastic composite vinyl flooring. Similar to WPC vinyl, an SPC vinyl is an engineered luxury vinyl that combines limestone and stabilizers to create an extremely durable core.

Technical Team

Our technical team are able to take your drawing and advise the most suitable layout and cost effective solution. We can usually provide a detailed quotation within 2 working days, allowing you to have a speedy delivery. This service is available for projects of all sizes, from a single room, to multiple property new build.

Delivery

We offer all our customers FREE, FAST delivery service to mainland UK (except pallet service) (excluding delivery to Northern Ireland, Channel Islands and Scottish Highlands, although chargeable delivery is available). To qualify for free delivery, orders must be placed by 1:30pm Monday to Friday.

Deliveries are made using our courier partners, offering our customers a one hour delivery notification period, meaning you don't have to wait in all day! Provide us with your mobile telephone number, or email address when ordering and you will receive a tracking number to follow the progress of your order. If not convenient, you can change the date, or arrange to leave with neighbour by replying to the text, or email.

Returns / Exchange Policy

Our Returns and Exchange Policy is set out to provide our customers a simple and clear procedure and is as follows;

We must be notified of any damages, defects or shortages within 7 days of receiving your goods via email (to provide both parties of written notification).

Any unwanted items or items ordered incorrectly must be returned within 30 days of delivery. All returns must be sent back with a copy of the original invoice. Unwanted goods, exchanges and refunds must be returned in its original condition. Any items found used, or damaged cannot be refunded. Refunds will be processed within 14 days of receiving and inspecting goods.

We cannot refund Self Levelling Compounds, or Tile Adhesive, or accessories sent as part of a kit. All return postage costs must be paid by the customer. We suggest sending items via courier, or recorded delivery, to ensure it is signed for on return. If items are sent back as damaged, we will refund postage on receipt of payment.
